2. Prakash Pipes Limited ("PPL" or the Resulting Company) is a public limited company incorporated under the provisions of the Companies Act, 2013 on June 29, 2017 bearing Corporate Identification Number U25209PB2017PLC046660. B. Rationale for the Scheme of Arrangement

The arrangement is aimed at demerger of "PVC pipes undertaking" (hereinafter defined) of PIL into PPL to segregate the said business. The transfer and vesting by way of a demerger shall achieve the following benefits for PIL and PPL:

Demerger shall enable enhanced focus to the operations of the PVC pipes undertaking by PPL and the remaining business by PIL.
- c) The demerger will permit increased focus by PIL and PPL on their respective businesses in order to better meet their respective customers' needs and priorities, develop their own network of alliances and talent models that are critical to success.

There is no adverse effect of Scheme on any directors, key management personnel, promoters, non-promoter members, creditors and employees of PPL. The Scheme would be in the best interest of all stakeholders in PIL.

The transfer and vesting of the PVC pipes undertaking (hereinafter defined) into PPL would be in the best interests of the shareholders, creditors and employees of PIL and PPL, respectively, as it would result in enhanced value for the shareholders and allow focused strategy in operation of the PVC pipes undertaking and the remaining business of the PIL. Pursuant to this Scheme all the shareholders of the PIL will get shares in PPL and there would be no change in the economic interest for any of the shareholders of PIL pre and post implementation of the Scheme. There is no adverse effect of Scheme on any directors, key management personnel, promoters, non-promoter members, creditors and employees of PIL. The Scheme would be in the best interest of all stakeholders in PPL.

In view of the above rationale, the Board recommended a Scheme of Arrangement whereby the PVC pipes undertaking of PIL will be demerged into PPL as a going concern with effect from the Appointed Date (hereinafter defined). Accordingly, the Board of Directors of PIL and PPL have

decided to make requisite applications and/or petitions before the Tribunal (hereinafter defined) as the case may be, as applicable under Sections 230 to 232 of the Act (hereinafter defined) read with section 66 of the Act, and other applicable provisions for the sanction of this Scheme.

Dear Sir,

Subject: Share Entitlement Ratio Report

1 CONTEXT AND PURPOSE

- 1.1. We refer to the engagement letter ('EL') dated 06 June 2017 and the subsequent discussions we had with you, wherein you have requested our report on the ratio of allotment of shares of the resultant company ('Resulting Company' or 'Prakash Pipes Limited' or 'PPL') to be issued to the shareholders of Prakash Industries Limited ('PIL' or the 'Company'), together referred to as the 'Specified Companies', in connection with the proposed demerger of the PVC pipes business ('Specified Business') of Prakash Industries Limited into Prakash Pipes Limited, with effect from 1 April 2018 ('Appointed Date').

2 BACKGROUND

- 2.1. Prakash Industries Limited ('PIL' or the 'Company') is a public limited company incorporated in India. The equity shares of PIL are listed on the Bombay Stock Exchange ('BSE') and the National Stock Exchange ('NSE'). PIL is engaged in the production of ferro alloys, MS TMT/MS Coil and allied products, HB Wire Rod, and PVC Pipe and Sockets. PIL's key business segments include: a) Steel manufacturing, b) PVC pipe, and c) Power generation. Further, we understand that PIL's operational facilities are located at Champa, Raipur, Kashipur, Koira, Distt. Koenjhar and Muppandal.

- 2.2. The PVC pipes division ('Specified business') of PIL comprises manufacturing, processing and dealing of various kinds of tubes and pipes.

- 2.3. We understand that the Management of PIL ('Management') is contemplating a restructuring by de-merging the Specified Business into a newly incorporated wholly owned subsidiary of PIL, Prakash Pipes Limited ('PPL' or 'Resulting Company'), with effect from 1 April 2018 ('Appointed Date') (the 'Proposed Transaction' or the 'Demerger'). The Demerger is proposed to be carried out through a Scheme of Arrangement ('Scheme of Demerger') under the provision of Sections 230 to 232 of the Act read with section 66 of the Companies Act, 2013.

- 2.4. In connection with the Demerger, the management of PIL ('Management') has requested Price Waterhouse & Co LLP ('PW & Co'/'us'/'we') to provide a report on the ratio of allotment of shares of the Resulting Company to be issued to the shareholders of PIL ('the Services'). Such ratio of allotment is proposed by the Management of PIL.

3 PROCEDURES

3.1 The procedures used in our analysis included such substantive steps as we considered necessary under the circumstances, including, but not necessarily limited to the following:

- Considered the audited financial statements of PIL for the year ended 31 March 2017, carved out financials of the Specified business for the year ended 31 March, 2017 which are based on the audited financials of PIL;
- Considered the number of equity shares of the Resulting Company proposed to be issued to the shareholders of PIL on the Demerger of the Specified business into the Resulting Company;
- Considered the draft Scheme of Arrangement for the Demerger ("Draft Scheme");
- Considered the existing shareholding pattern of PIL and the envisaged shareholding pattern of the Resulting Company;
- Interviews and correspondence with the Management, on which we have relied; and
- Such other analyses, reviews and inquiries, as we considered necessary.

4 RATIO OF ALLOTMENT

4.1 The Management has proposed the following Share Entitlement Ratio:

- 1 fully paid up equity share having face value of INR 10/- each of the Resulting Company for 8 fully paid up equity share of INR 10/- each in PIL.

4.2 We have considered the outstanding number of equity shares of PIL and the envisaged number of equity shares of the Resulting Company as follows:

- As of the Report Date, the issued, subscribed and paid up capital of PIL consists of 15,25,07,797 equity shares of INR 10/- each;
- As of the Report Date, the initial issued, subscribed and paid up capital of the Resulting Company is envisaged to comprise of 10,000 equity shares of INR 10/- each. The entire paid-up and issued capital of the Resulting Company is proposed to be held by PIL prior to the Demerger;
- As of the Report Date, PIL has outstanding Foreign Currency Convertible Bonds ("FCCBs") amounting to USD 25.15 million that have an option to convert into equity shares (based on their respective terms). Further, PIL has a foreign currency debt obligation of USD 17.85 million that PIL is in discussion with the respective Bond Holders to restructure into new FCCBs. As per the Management if all such FCCBs (including USD 17.85 million) are converted into equity shares it would result in an increase in the issued and paid up capital of PIL to 18,06,70,565 equity shares (i.e. on a fully diluted basis).

4.3 Pursuant to the Draft Scheme:

- The Resulting Company, in order to comply with the intent of maintaining the economic interest of the shareholders of PIL shall issue 1,90,63,475 equity shares of INR 10/- each to all the Equity Shareholders of PIL;
- the initial issued, subscribed and paid up capital of the Resulting Company consisting of 10,000 equity shares of INR 10/- each shall stand cancelled on the demerger being effective; and if any FCCBs holder exercises the option of conversion ("Converting FCCB Holder") even after the record date (as mentioned in the Draft Scheme), PPL shall issue corresponding number of equity shares, as per the Share Entitlement Ratio mentioned in clause 4.1 above, to such Converting FCCB Holder upon allotment of equity shares of PIL.

If all FCCBs (including USD 17.85 million) are converted into equity shares at the Record Date it would result in issuance of an additional 35,20,346 equity shares of PPL to such shareholders of PIL (i.e. 35,20,346 equity shares of PPL for the equity shares of PIL which may be issued to the FCCB holders of PIL post conversion).

PPL – Share Entitlement Ratio Report
24 August 2017
Page 3

4.4 The Draft Scheme provides that in case any members' shareholding in the PIL is such that such member becomes entitled to a fraction of one equity share of the Resulting Company, the Resulting Company shall not allot fractional shares to such member but shall consolidate such fractions and issue consolidated equity shares to a separate trustee nominated by Resulting Company in that behalf, who shall sell such equity shares on the date of listing of PPL or within such period of listing of PPL as may be decided by the Board of Directors of PPL and distribute the net sale proceeds (less expenses as applicable) to the members of PIL, in proportion to their fractional entitlements.

4.5 Based on the aforementioned, in particular read with paragraphs 2 and 4.1 – 4.5 above and caveats below, and considering that all the current shareholders of PIL are and will, upon demerger, be the ultimate beneficial economic owners of the Resulting Company and that the upon allotment of equity shares by the Resulting Company in the proposed Share Entitlement Ratio, the beneficial economic interest of the shareholders in the equity of the Resulting Company will be the same as it is in the equity of PIL; the above Share Entitlement Ratio is fair in relation to the Demerger.

1. Background of companies:

1.1. Prakash Industries Limited (Demerged Company)

2. Basis of our opinion

2.1. Rationale of the draft scheme of arrangement (as per extract of draft scheme dated August 24, 2017)

The arrangement is aimed at demerger of "PVC pipes undertaking" of PIL into PPL to segregate the said business. The transfer and vesting by way of a demerger shall achieve the following benefits for PIL and PPL:

- a) The PVC pipes undertaking carried on by PIL has significant potential for growth. The nature of risk, competition, challenges, opportunities and business methods for the PVC pipes undertaking is separate and distinct from the other businesses of the Company. The PVC pipes undertaking would become capable of attracting a different set of investors, strategic partners, lenders and other stakeholders.
- b) PIL as well as PPL would have its own management teams, Board of Directors, who can chart out their own independent strategies to maximize value creation for their respective stakeholders. Demerger shall enable enhanced focus to the operations of the PVC pipes undertaking by PPL and the remaining business by PIL.
- c) The demerger will permit increased focus by PIL and PPL on their respective businesses in order to better meet their respective customers' needs and priorities, develop their own network of alliances and talent models that are critical to success.

There is no adverse effect of Scheme on any directors, key management personnel, promoters, non-promoter members, creditors and employees of PPL. The Scheme would be in the best interest of all stakeholders in PIL.

The transfer and vesting of the PVC pipes undertaking (hereinafter defined) into PPL would be in the best interests of the shareholders, creditors and employees of PIL and PPL, respectively, as it would result in enhanced value for the shareholders and allow focused strategy in operation of the PVC pipes undertaking and the remaining business of the PIL. Pursuant to this Scheme all the shareholders of the PIL will get shares in PPL and there would be no change in the economic interest for any of the shareholders of PIL pre and post implementation of the Scheme. Holders of FCCB of PIL shall be eligible to receive shares of PPL upon conversion of FCCB subject to and in accordance with the Scheme.

2.2. Sources of Information

- i) Draft scheme of arrangement.
- ii) Share Entitlement Ratio report dated August 24, 2017, issued by Price Waterhouse & Co LLP. Chartered Accountants.
- iii) Audited Balance Sheet and Income Statement of the Demerged Company for the financial year ended March 31, 2017.

2.3. Valuers Analysis

Clause 4 of share entitlement ratio report provides that ratio of allotment for shares in PPL, shall be as follows -

- 1 (one) fully paid up equity share having face value of INR 10/- each of the Resulting Company for 8
- (eight) fully paid up equity share of INR 10/- each in PIL

3. Conclusion and Our Opinion

3.1. With reference to above and based on information provided by the KMP's and after discussions with the Valuers, we understand that the present scheme of arrangement has been structured to enable PVC Pipes Undertaking to capitalize on growth opportunities and unlock the potential value of each business of the Demerged Company. Pursuant to scheme of arrangement the shares of the Resulting Company shall be listed on the same stock exchanges on which the shares of the Demerged company are listed.

3.2. We also understand that, the proposed cancellation and reduction of share capital of the Resulting Company to the extent held by the Demerged Company, should result in creation of mirror image proportionate shareholding of the Resulting Company as that of Demerged Company (i.e. economic interest of both companies shall remain intact in the hands of common shareholders and in the same ratio.) Thus, the interest of shareholders remains unaffected post demerger.

3.3. Further, in regards to FCCBs the scheme rightly provides that Resulting Company shall issue its equity shares to all the FCCB holders who exercise the option of conversion of FCCBs into equity shares post Record Date, in accordance with the share entitlement ratio as provided in clause 12 of the scheme. The equity shares allotted by the resulting company post conversion of FCCBs shall be listed at the Stock Exchanges.

Independent Auditor's Review Report on Interim Financial Results of Prakash Industries Limited for the Quarter ended June 30, 2017 pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

To the Board of Directors of Prakash Industries Limited

1. We have reviewed the accompanying Statement of Interim Financial Results of **Prakash Industries Limited** ("the Company") for the Quarter ended June 30, 2017 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016. This statement, which is the responsibility of the company's management and approved by the Board of Directors, has been compiled from the related interim financial statements which has been prepared in accordance with Indian Accounting Standard 34 "Interim Financial Reporting" (Ind AS 34), specified under Section 133 of the Companies Act 2013, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express an opinion on the statement based on our review of such financial statements.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of interim Financial Information, Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. We refer to following matters:
 - a. In terms of a court order, the deferred tax liability of Rs. 397 lakhs for the quarter ended June 30, 2017 has been adjusted against Securities Premium Account. Had the deferred tax liability been accounted for pursuant to Ind AS -12 'Income Taxes' total comprehensive income after tax for the quarter ended June 30, 2017 would have been lower by Rs. 397 lakhs.
 - b. No provision for interest aggregating to Rs. 206 lakhs for the quarter ended June 30, 2017 and Rs. 1,738 lakhs as at June 30, 2017 has been made in respect of restructured Foreign Currency Bonds/Convertible Bonds. Had such provision for interest been made, Capital work in progress and Other Current financial liabilities would have been higher to that extent.
4. Based on our review conducted as above, except for the effects of our observations stated in para 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

We draw attention to the following matters:

- a. The provision for tax expenses made by the Company is subject to assessment by the tax authorities and set off of MAT credit entitlement is subject to availability of taxable income in future periods within the prescribed time limit as per the relevant provisions of the Income Tax Act, 1961.

Undertaking in relation to Non-applicability of requirements prescribed in para (I)(A)(9)(a) of Annexure I of SEBI Circular No. CFD/DIL3/CIR/2017/21 dated 10th March, 2017 ('SEBI Circular') in respect of draft Scheme of Arrangement between Prakash Industries Limited and Prakash Pipes Limited and their respective shareholders and creditors ('the Scheme')

This is in connection with the Draft Scheme of Arrangement between Prakash Industries Limited and Prakash Pipes Limited and their respective shareholders and creditors under section 230-232 of the Companies Act, 2013 read with section 66 of the Companies Act, 2013, and other applicable provisions of the Companies Act, 2013 and/ or Companies Act, 1956, as the case may be, and pursuant to the SEBI Circular wherein SEBI has mandated all listed companies to ensure that the Scheme submitted with the Hon'ble National Company Law Tribunal, Chandigarh Bench, for sanction, provides for all material facts in the explanatory statement in terms of para (I)(A)(9)(a) of the SEBI Circular.

Prakash Industries Limited hereby undertakes that the requirement of para (I)(A)(9)(a) of the SEBI Circular pertaining to e-voting by public shareholders is not applicable to the Company for the following reasons:

1) Para (I)(A)(9)(b)(i)

Where additional shares have been allotted to Promoter/ Promoter Group, Related Parties of Promoter/ Promoter Group, Related Parties of Promoter/ Promoter Group, Associates of Promoter/ Promoter Group, Subsidiary/(s) of Promoter/ Promoter Group

Reasons for non-applicability

This clause is not applicable in our fact pattern as upon demerger coming into effect, the following has been envisaged:

Issue of shares by Prakash Pipes Limited ("PPL") to the existing shareholders of Prakash Industries Limited ("PIL"):

PPL shall issue and allot equity shares on a proportionate basis to each member of PIL whose name is recorded in the registers of members of PIL as holding equity shares on the Record Date (relevant extracts as mentioned in the Scheme), as under:

"for every 8 equity share of face value of INR10/- (Rupees Ten only) each held in PIL as on the Record Date, the equity shareholders of PIL shall be issued 1 equity share of face value INR10/- (Rupees Ten only) each credited as fully paid-up in PPL.

In issue and allotment of such shares as aforesaid, the fractional entitlements of shares of any shareholders of PIL shall not be taken into account, but such shares representing fractional entitlements shall be allotted to Company Secretary of PPL upon trust/or separate trustee nominated by PPL, who will sell them on the date of listing of PPL or within such period of listing of PPL as may be decided by the Board of Directors of PPL, and distribute their sale

proceeds (less expenses, if any) to the shareholders of PIL, who are entitled to such fractional shares.

FCCB holders that exercise the option of conversion ("Converting FCCB Holder") after the record date, PPL shall issue corresponding number of equity shares, as per the share entitlement ratio mentioned in clauses 12.1 above, to such Converting FCCB Holders upon allotment of equity shares of PIL.

Upon the Scheme being effective, the investment of PIL in PPL shall stand cancelled."

This will ensure that the shareholding pattern of PPL is identical to the shareholding pattern of PIL.

Accordingly it is evident from the above that all the shareholders of PIL would get shares in PPL in proportion to their entitlement and there would be no additional shares allotted to Promoter/ Promoter Group, Related Parties of Promoter/ Promoter Group, Related Parties of Promoter/ Promoter Group, Associates of Promoter/ Promoter Group, Subsidiary/(s) of Promoter/ Promoter Group.

2) Para (I)(A)(9)(b)(ii)

Where the Scheme of Arrangement involves the listed entity and any other entity involving Promoter / Promoter Group, Related Parties of Promoter / Promoter Group, Associates of Promoter / Promoter Group, Subsidiary/(s) of Promoter / Promoter Group

Reasons for non-applicability

This clause is not applicable in our fact pattern as the Scheme is envisaged between PIL and its subsidiary, PPL and thus it does not involve any arrangement between PIL and any other entity involving Promoter / Promoter Group, Related Parties of Promoter / Promoter Group, Associates of Promoter / Promoter Group, Subsidiary/(s) of Promoter / Promoter Group.

3) Para (I)(A)(9)(b)(iii)

Where the parent listed entity has acquired, either directly or indirectly, the equity shares of the subsidiary from any of the shareholders of the subsidiary who may be Promoter/ Promoter Group, Related Parties of Promoter/ Promoter Group, Associates of Promoter/ Promoter Group, Subsidiary/(s) of Promoter/ Promoter Group of the parent listed entity, and if that subsidiary is being merged with the parent listed entity under the Scheme

Reasons for non-applicability

This clause is not applicable as PIL (being the parent listed company in this context) has not acquired, either directly or indirectly, the equity shares of PPL (the subsidiary) from any of the shareholders of PPL who may be Promoter/ Promoter Group, Related Parties of Promoter/ Promoter Group, Associates of Promoter/ Promoter Group, Subsidiary/(s) of Promoter/ Promoter Group of PIL. Further, the Scheme is not for the purpose of merger of subsidiary with its parent listed company.

4) Para (I)(A)(9)(b)(iv)

Where the scheme involving merger of an unlisted entity results in reduction in the voting share of pre-scheme public shareholders of listed entity in the transferee / resulting company by more than 5% of the total capital of the merged entity

Reasons for non-applicability

The Scheme does not involve merger of unlisted entity with listed entity.

5) Para (I)(A)(9)(b)(v)

Where the scheme involves transfer of whole or substantially the whole of the undertaking of the listed entity and the consideration for such transfer is not in the form of listed equity shares

Reasons for non-applicability

The Scheme envisages demerger of PVC Pipes Undertaking (as defined in the Scheme) of PIL into PPL.

As per the SEBI Circular, for the purposes of para (I)(A)(9)(b)(v), the expression "substantially the whole of the undertaking" in any financial year shall mean 20% or more of the value of the company in terms of consolidated net worth or consolidated total income during the previous financial year as specified in section 180(1)(a)(i) of the Companies Act, 2013.

As per the audited financials of PIL for the financial year ended 31st March, 2017, the value of PVC Pipes Undertaking, both in terms of consolidated net worth and consolidated total income, is less than 20% of the value of PIL.

In light of the above reasons, PIL is not required to seek approval of public shareholders through e-voting in relation to the Scheme.
